

SHIPPING RATES AS AT NOVEMBER 27TH 2008

The following shipping rates apply to products purchased through ConnectionsBMX.com.

For single products, please refer to the table below.

If more than one product in the same category is being purchased, then the freight for the second item is charged at 50% of the applicable rate, and any others at 25% of the applicable rate.

If more than one product from a range of different categories is being purchased, then the largest shipping value is used as the base calculation, then 50% of the second largest shipping value, and then 25% of the remaining items at their applicable rate.
